Attention: Joel Itzkowitz, President

To Whom It May Concern:

Recently, in 1997, the firm of Construction Consultants was awarded a bid to rebuild and reconstruct three (3) of our Village's recreational parks. The project included removal and replacement of various play structures, the relocation and rebuilding of a softball field, installation of a tennis court and resurfacing of a basketball court. This was a massive undertaking for our Village and through the continuous efforts of the firm of Construction Consultants, the refurbishment of our park system was completed on time. It should be noted that there was no bonus clause in the contract for completing the job on time. I found it a pleasurable experience to work together with Mr. Itzkowitz and his representatives and found them to be responsive to all of our concerns and requests.

Any company or municipality interested in utilizing the services of Construction Consultants should not be disappointed in any way. I would also like to point out that the reconstruction project began during the winter months when weather was always a factor. All work that could be performed was performed on a daily basis.

Should anyone wish to contact me directly, I can be reached at the Lake Grove Village Hall, 980 Hawkins Avenue, Lake Grove, New York, 11755, telephone number 585-2000.

Very truly yours,

A handwritten signature in cursive script that reads "Scott D. Middleton".

Scott D. Middleton

Trustee/Commissioner of Parks
